

LIGHTNING HILL ESTATE

CASUAL GARDEN WEDDINGS

A little bit about us

Situated on 20 acres, loved gardens and an old vineyard. With panoramic views, you'll feel like you're in the picturesque Yarra Valley but without the travel time. A serene setting for your wedding and just a 40 minute drive from the CBD, you will find us just off the freeway, we are very easy find.

We are a family of 6 plus a menagerie of animals. Close knit, very loving and a little bit crazy, all of which we can't help but incorporate into our weddings. Given the Estate is also our home you can always expect something furry, lots of laughs, team hugs and dancing!

A comment we hear at every function from at least one person is "I never knew you existed, it's such a hidden gem."

To me, that is the biggest compliment of all because it confirms for me that what our family is creating is unique, special and memorable for our guests.

We understand that although we work extremely hard to make the Estate as beautiful as possible, there will always be somewhere prettier, somewhere more formal and somewhere more structured. Having said that, what we can't help but offer is love, open arms, sincerity, flexibility and privacy.

Lightning Hill Estate is not only our home but our haven. We have chosen to share it with those who see the qualities that we do, the wildlife, the tranquility and the love that you can't help but feel.

Certainly it is not for everyone but for those it is for, we welcome you and we can't wait to meet you.

This place is special, there is something about it that is way bigger than anything I can put my finger on and I look forward to sharing it with you and your people.

We are proud of the packages we have put together, we have tried to cater for the everyday couple who want a beautiful wedding but without the price tag. We hope you find our packages reasonable and with lots of optional extras that you absolutely do not need to include but are there if you want them.

*All of our packages include the celebrant and all legal documentation – for this we have partnered with the wonderful David Schneider and his team from **Registry Style Weddings Melbourne** who we absolutely guarantee you will feel comfortable with and in safe hands. Having said that, if you have your own celebrant you are welcome to use them – you receive a \$500 discount off your package price when using your own celebrant.*

*Hopefully you have the time to come for a visit, have a chat, see that the photographs just don't do it justice, and to give us the opportunity to show you how we can truly make your day a really special day. To book in a visit you can contact me directly on **0434 545 909** or via email at **contact@lhevics.com.au***

*You will find us at **130 Whiteside Road in Officer**, it is a dead end, gravel road and access is from the Princes Highway only (regardless of what some maps may show you).*

We hope to meet you soon,

*With all our love,
Janine Fitzsimmons*
