CANAPE PLATTER MENU

$ 70

Fairy Bread - yep, you read correctly

We've had so many requests, we had to make it official. Done properly, of course: white bread and real butter. Then there's the sprinkle controversy - long or round. Regardless of what you request we have to do a 50/50 split between the long and the round - trust us, it's a thing!
This platter contains 40 corners of each variety and is ALWAYS served with a smile!
