Shoana and Jordan, May 2025

We got married at lightning hill estate on May the 4th, 2025, and honestly the day was better than I could have ever imagined, and this is because of how well set up, organised and equipped Janine and the Lightning Hill Estate family are. Throughout the whole process we were supported, encouraged and always had Janine on our team. I thought planning a wedding was difficult but Janine made it so easy and the connections she has with suppliers was a huge bonus. As it was May 4th, we did have a star wars theme throughout and the whole team loved it and played along. The property is stunning, the people are incredible and honestly we want to have our wedding again just because of the venue and people involved. Thank you so so much for making our wedding perfect. Our guests have been raving about the venue since. The vibes are immaculate any time of day and you can really tell they love weddings and supporting people through it. If you're on the fence, honestly just book it, you wont regret it.

They go above and beyond to ensure your day is fabulous.

Karen and Ian, October 2024

Words cannot really express how I feel about Janine and the staff at LHE. They are a truly amazing group of people who went to extraordinary lengths to ensure that our wedding, held a month ago, was even more exceptional than we hoped it would be. Janine, you made me feel special during every interaction and your ability to follow up and see if I needed assistance in the lead up to our wedding was outstanding. You came to the rescue when our caterer left us in the lurch 2 weeks before our wedding and the catering on the night was fantastic and received lots of great comments from our wedding guests. Our guests could not stop commenting on how much they loved your venue and one guest described it as a “hidden gem.” Thank you and your team for making our wedding day so special and beyond our wildest dreams. We cannot recommend you and your venue enough.

Brianna and Jacob, October 2024

Janine, where do we start? You're incredible in everything you do. From the very start of touring your stunning and wholesome property we were at ease. We had been warned by people how stressful wedding planning could be. With you by our side every step of the way, the process was joyful and easy. You are one of the most authentic and kind souls we have ever had the pleasure of meeting. Our incredible if slightly wet wedding day was easily in top 3 days of our lives. So much love, fun, support, happiness, dancing, laughter, delicious food and a little bubbles (ok a lot of bubbles and whiskey) equals the perfect wedding day. There is nothing we would have changed or done differently. Bonus your

This enchanting gem is located in officer and really is a fantastic place to get married. The place has everything you want from your dream wedding. The team at lighting hill estate made everything so simple trusted vendors that we could and get a discount on including the celebrate and photographer. We didn't have to organise anything it took stress right out of the wedding planning. Once arriving the estate has a winery a beautiful gazebo covered in flowers we were fortunate to get them when they were in full bloom and the photos really are breathtaking. They have an beautiful pond with a magnificent water feature. A bridge that goes over the pond based on the famous monay bridge in France. We had our ceremony over looking the pond under a an arch. It truly is the perfect spot. They can function to any size and allweather conditions plenty of room for all your guests. They also have a bridal sweet and the place is set up for those perfect photos from fountians to breath taking flowers and garden area. The team were so accommodating and were eager to make our day as special as our dreams had imagined. They have a fully stocked bar and light fireplaces around the venue in the evening. It hard to imagine it getting better at night but it does the lights show off the grounds and is magical area for your event or wedding. Our family had a wedding here at Lightning Hill Estate last week. It was magnificent, the venue **100**

Janine, Rob and Ian wonderfully hospitable people. Nothing was too much trouble, right down to keeping an eye on the elderly guests to ensure they had a cuppa and a blanket on a cool evening. Their staff were lovely, couldn't do enough to ensure everyone was happy and catered for. The food was great, catering for all diets. Plenty of room and lovely drop of vino.

Can't praise them enough, make sure you look at this venue for your wedding or event you will not be disappointed.

Thanks guys for making this an enjoyable and memorable occasion. 💙💖

Kelley and Adam, October 2023

Disappointed with my experience for my wedding. I had high hopes given that all our interactions up until the few weeks before the wedding were lovely. I will never get my wedding day over again so its upsetting that i had so many negative experiences here. Small simple requests were all ignored and me and my guests were spoken to very rudely.

Testimonials

Azaniah and Sebastian, January 2024

Lightning Hill Estate is fantastic, from family members to wedding guests everyone was absolutely blown away in amazement.

Janine and her team were so lovely throughout the preparation process, and continued their positiveness unto the wedding day.

The venue itself was breathtakingly beautiful for a rustic themed wedding or event. On a mountainside overlooking a vineyard.

The intricate details like wine barrels, seating for guests, pond, archway and gazebo really brought everything together.

Additionally, Lightning hill offer food catering & we chose a more simple cocktail style option which exceeded out expectations. Along with an indoor bar and seating area.

Janine also had a variety of specialist at an affordable rate. i.e. Celebrant, Photographer & Cake Shop. Etc.

A massive thank you from us to you guys at Lighting Hill Estate, absolutely amazing job from everyone. Very Highly Recommended. You wont be disappointed :D

We extend our heartfelt gratitude to Janine, Rod, and their incredible family for graciously hosting our wedding at their breathtaking venue. From the moment we first set eyes on the vineyard to the exchange of vows and the joyous celebration with our loved ones, everything was absolutely flawless.

The vineyard boasts numerous picturesque spots for capturing timeless moments, and the multitude of pathways provided endless choices for making that unforgettable journey to meet your soon-to-be spouse at the altar.

The catering choices were abundant and delicious, complemented by a well-stocked bar offering both house favorites and top-notch beverages. While our reception took place indoors, the outdoor setup with the roaring fires was a definite hit for those who wanted to mingle outside.
